Clayton Chemical Company
Mobile Avenue
Sauget, Illinois 62201

Dear Permittee:

Re: Sauget/Clayton Chemical
16312104

The Agency is proposing to extend the expiration date for your supplemental permits identified in Attachment I of this letter. The proposed new expiration date for those supplemental permits is also set forth in Attachment I.

If you will be seeking the renewal or reissuance of any supplemental permit specified in Attachment I beyond the new expiration date, be certain that your application for such a permit is filed with the Agency at least ninety (90) days prior to this new expiration date. Instructions for the renewal or reissuance of these supplemental permits is provided in Attachment II.

Please acknowledge your acceptance of the expiration dates specified in Attachment I, thereby modifying the identified permits by signing and returning one copy of this letter within ten (10) days to:

Residual Management Section
Division of Land/Noise Pollution Control
2200 Churchill Road
Springfield, Illinois 62706

Also, please notify the affected generators of these permit modifications.

RECEIVED

NOV 10 1981

Page 2

The permit modifications agreed to herein will become effective on the date of receipt by the Agency of the signed copy of this letter.

Thank you for your cooperation.

Sincerely,

Thomas E. Cavanagh, Jr.

Thomas E. Cavanagh, Jr., Manager
Residual Management Section
